

B & N

Home: Wisconsin
Area of ministry: Southeast Asia
Ministry focus: Equipping indigenous leaders to make and multiply disciples through planting reproducing churches among unreached people-groups
World Missions - partners with TBC since 1985

Because of security concerns, names have been withheld from this update

B & N are global partners based in the US yet leading, discipling, and working with national leaders in Southeast Asia. Their ministry goal is to raise up a new generation of leaders, youth, and children who know Christ and effectively make Him known. B provides direction, mentorship, and equipping through culturally-adaptable training based on Jesus' model of discipleship. Resources and training are also provided for tentmaking projects, such as vegetable gardens, which are used to support leaders' families and ministries. These projects are coupled with outreach and community health education.

Though there is active evangelism and church planting in this region, in one nation, the government is increasingly hostile toward Christians. However, in another nation, tragic civil war and displacement have actually allowed for greater evangelism!

The backbone of B & N's ministry is the intercessory prayers of God's people. Every two weeks, detailed praise and prayer updates from national church planters are collected and distributed to assist with this vital prayer effort. *Email the missions committee at tulsabiblemissions@gmail.com if you would like to be added to this prayer list!*

Joshua Project facts on Asia

Population: 4.9 billion - 50 countries with 7,472 people groups

Percentage considered unreached: 60%

Percentage considered evangelical: 3.1%

Prayer Requests

- Training and sending of many more disciple-making leaders
- Safety from hostile persecution; the devil does not want the Gospel to go forth!
- Favorable conditions for developing self-supporting projects
- More prayer support for these fellow Christians and those they are trying to reach!
