## Children's Ministry Director

### Tulsa Bible Church

#### Overview

Tulsa Bible Church started in 1955 with a passion for expositional, Christ-centered teaching, missions, and discipleship. God graciously grew a handful of families, originally meeting in a family room, to a growing community of believers throughout Tulsa and 50+ missionaries across the world. Our ministry leaders and influence helped establish several other churches in the city of Tulsa including Crossover Bible Church in North Tulsa.

Tulsa is the second largest city in Oklahoma and continues to grow past the current metro population of 783,000 residents. Tulsa Bible Church is located on the south side of the city limits enabling us to reach both interurban and suburban families. We are close to Tulsa's LaFortune Park and Southern Hills Golf Course in the Shadow Mountain area. Our members reside mainly in the city of Tulsa, Broken Arrow, Bixby, and Jenks.

Thanks to God and the generosity of our members, our current facility has zero debt and room to grow. TBC's senior pastor is a Dallas Seminary graduate who has been leading for over 3 years. Last year, we launched a new vision with specific strategies for growth to continue effectively reaching Tulsa with the Gospel, which you can find more about our website: [TulsaBible.org](http://TulsaBible.org).
