

Retired Partners

*The steadfast love of the Lord never ceases;
his mercies never come to an end;
they are new every morning;
great is your faithfulness.
Lamentations 3:22-23 ESV*

Tulsa Bible Church has several retired local and global partners. Though they are no longer in full-time ministry, we honor these workers for their past service and their ongoing faithfulness. Please read about and pray for a few of our retirees below who are facing ongoing health issues.

Mary Anne Cospers

Child Evangelism Fellowship | TBC partner since 1974

Mary Anne spent many years serving with CEF both at home and abroad. She currently lives in South Carolina with one of her daughters.

Would you pray for Mary Anne and her daughter Brandi? As Mary Anne ages, she has been prone to falls and outbursts. Pray for patience and perseverance for Brandi as she cares for her mom.

Sue Hilton

Child Evangelism Fellowship | TBC partner since 1974

Sue stepped into ministry following a TBC missions conference, serving with CEF both globally and locally for 25 years.

Sue now lives in assisted living/memory care in Texas and is checked on by her niece. Sue has been experiencing more short-term memory problems recently. Please pray for grace for Sue and her family.

Maynard Seaman

TEAM | TBC partner since 1959

Maynard spent many years serving in Nepal as a missions doctor. He now lives in Maryland with his daughter.

Maynard is one of our oldest partners at 96 years old! Please pray for him and his family as he draws near the end of his life. We are thankful for the care and encouragement that have come through his daughter.

Steve & Karen Frank

Global Outreach Mission | TBC partners since 1982

Steve and Karen recently stepped back from full-time ministry in Quebec, but in the last several months, even part-time has not been an option. Steve has dealt with ongoing neurological issues that have led to hospitalizations, in-home care, and more.

Please pray for the doctors to be able to pinpoint Steve's specific issue and prescribe the correct treatment. Please pray for Karen as she walks through this suffering with Steve.

Randy & Lynna Blackwell

New Life Ranch | TBC partners since 1992

Randy and Lynna served at NLR in miscellaneous capacities as well as in other ministries. They live on their family property in Northwest Arkansas.

Please pray for Randy and Lynna as they are both now on hospice, and please pray for their combined families as they care for their parents.

Synnøve Mitchell

TEAM | TBC partner since 1962

Synnøve worked for many years in Pakistan. She now lives in assisted living in Southern California with her daughter Joy nearby.

Synnøve is over 90 now and dealing with different issues. Though her short-term memory is fading, she loves to hear about the work still going on with her heart people in Pakistan. Please pray for her comfort after the death of her husband David earlier this year.

Donna Fredericks

United Indian Mission | TBC partner since 1975

Donna worked with her husband Don among Native American tribes in the US. She is now retired but keeps up with the ministry of UIM as her son Dan leads the organization.

Donna is dealing with ongoing back pain as well as other effects of aging. Please thank God for good family connections for Donna.
