

## Global Ministry Highlight

# Argentina

TBC members are off and running, traveling the globe in missions!

Three TBC ladies will be going with Azmera Haven Retreats to Buenos Aires, Argentina. They will be serving women who work in missions in Central and South America. Get to know these TBC ladies below, and consider donating to help them go to serve the servants.

*“Help global workers stay healthy and on the field”*

### *Sarah Labriel*

Sarah works with Azmera as Executive Assistant and Retreat Specialist.

Hope for the trip: I want the ladies from TBC to see the vital importance for Haven Retreats in the lives of the global workers and help me promote other ladies volunteering from TBC in future retreats.

Prayer request: Support for her teens while she is gone; travel safety; good time with family in Argentina

### *Debbie Breeden*

Debbie serves on the TBC Missions Committee and the TBC Women’s Council.

Hope for the trip: I am looking forward to hearing global women’s stories, praises, and challenges. It is a privilege to serve God as I go to encourage, and I’m sure be more blessed than I realize! I’m looking forward to seeing Candy and Liz, our own TBC mission servants!

Prayer request: David at home; prayerful preparation for the team and attendees; safety; full focus on God and attendees; start of short-term missions at TBC

### *Anna Ewing*

Anna works as a funeral director in Broken Arrow.

Hope for the trip: To support and encourage these women by lending a listening ear, praying, and using the skills God has blessed me with to contribute to the volunteer team.

Prayer request: Peace, courage, and focus

**The Azmera Haven Retreat - Argentina
