The Traveling Team - Missionaries with TBC

Todd and Jess Ahrend are missionaries with The Traveling Team. In college Todd had a wake-up call, a challenge from Tom Graney (another then-future TBC missionary!) to take the Christian life seriously. Jess grew up at TBC. Todd and Jess founded The Traveling Team in 1999. Todd continues to serve as the International Director and Founder. Todd and Jess also lead college Bible studies and discipleship.

The Traveling Team sends out several teams per semester. These teams partner with campus ministries at both secular and Christian colleges and universities across the US, sharing about the worldwide need for missionaries. Each team gives a missions presentation and challenge, meets with those who want to know more, and connects these students with various missions agencies, such as Christar, Ethnos360, Pioneers, etc. These agencies then come alongside the interested students to start the vetting and ministry investigation process, helping them discover and pursue God's specific call for them in ministry.

Prayer Requests:

- Praise for 25+ years of mobilization ministry
- Protection for teams as they travel the country
- Strong family relationships
