

TBC Missions

Making HIM Known in 2026

Welcome to 2026! The TBC Missions Committee's hope is that this year, you will use these weekly missions updates to learn more about our local and global partners in particular and about missions and outreach in general.

It is also our hope that in 2026, you will gain a greater understanding and appreciation of the larger Church. We don't serve God as individual people or even as members just of TBC but as connected members of Jesus' global Body. In light of that truth, let's know, grow, go, and pray together in 2026.
